PROJECTS & COLLABORATIONS

- **“The Palm Tree” collaboration with SUI** – Created a large-scale textile palm tree from leftover fabrics, installed as a sustainable art centerpiece in their shop window (June 2025).
- **Barbie, Wings of Art Exhibition** – Selected as one of the featured artists to design a bespoke outfit for Barbie, celebrating her 60th anniversary in Singapore (June 2025).

AWARDS & RECOGNITIONS

SITE.MA Publication

Moon Milk collage featured in Singapore in *The Eyes of Mother Artists*, a book highlighting the diverse perspectives of mothers navigating the intersection of art and motherhood (May 2023).

Honeycombers Sustainability Awards

selected finalist for creative and sustainability-driven textile work (April 2022)

ARTIST STATEMENT

A fashion designer turned textile artist, I blend sustainability, emotion, and creative transformation. Through upcycled textiles, workshops, and wardrobe curations, I explore how garments and memories can be restored with mindful storytelling and compassionate craft.

ARTS-RELATED PROFESSIONAL ROLES

Biekaleidoscope, Singapore, 2020-now
Founder & Creative Leader

- Lead workshops, online programs, and commissioned textile projects focusing on upcycling, wardrobe storytelling, and sustainability.
- Developed the *Wardrobe Whispers* podcast and *Behind the Seams* newsletter, engaging community in creative and mindful fashion practices.
